

Help BCM receive community rewards by using your Kroger Plus card!

Kroger's community outreach program provides funds to nonprofits whose supporters have their Kroger Plus cards tagged with the nonprofit's name. If you have a Kroger Plus card, here's how you can set up your Kroger Plus card to give BCM reward points each time you shop! If you don't have a Kroger Plus card, you can get one at the customer service desk at any Kroger.

- Go to krogercommunityrewards.com. Be sure to have your Kroger Plus card handy.
- Click on **Sign In** if you already have a Kroger Account
 - Under "Community" select "Community Rewards and proceed to the next step.
- If you don't already have an online Kroger account, click on **Create an Account**.
 - Sign up for a Kroger Rewards Account by entering zip code, clicking on appropriate store, entering your email address and creating a password, agreeing to the terms and conditions
 - You will then get a message to check your email inbox and click on the link within the body of the email. This insures you are the one trying to set up the online account.
 - Click on My Account and use your email address and password to proceed to the next step.
 - Click on Edit Kroger Community Rewards information and input your Kroger Plus card number.
 - Update or confirm your information.
- Enter **80408** or **Buckhead Christian Ministry**, select organization from list and click on confirm.
- To verify you are enrolled correctly, you will see your organization's name on the right side of your information page.
- Be sure to present this Kroger Plus card or use the phone number that is related to this Kroger Plus card when shopping for each purchase to give BCM community rewards points.

Keep Your Community Rewards Selection Up-to-Date! Kroger requires that you update your selected organization annually in October. So if you enrolled in Community Rewards prior to last October, verify that you are still enrolled at any time.
